

My name is Marilyn Gore. I have suffered for more than a year with back pain. After therapy treatments, with little results, I was referred to Dr. G. Brusovanik. It was the best day of my life because after much consultation, we agreed to do the surgery. From Jan 5, 2015 to present, my entire back has had no pain. I have done chores that I could not do previously. I have gone from waking and sleeping in pain to no pain at all since my surgery. Thanks to my doctor's exceptional work and care I am a new person!!
