At times we get so caught up
in our lives that we forget to
respond from our hearts to
those who have touched our lives
in their own special way.
With this in mind it's important
that you receive the recognition
and gratitude you so greatly
deserve.

Thank-you

① For being there for me
when I need it you, you're
appreciated for what you've done.
and it's comforting to know
that your heart was in it

② Drs like you make a
difference in patients
live and in the world
Praise God that you
never change and that

He will bless you always
in what you do, and

Give you Health, Love money
and Happiness for you and
your family. Also ask

God you
never stop

Caring or
making a difference.

... I thank you with a
little something, hope
you like it!!!
